July 2007 Newsletter

As I write there are 50 children and about 20 leaders downstairs having a great time at the PACT Holiday Program. This is definitely a highlight for us and we love putting this on for the community! Since we last wrote there have been a few changes so let me introduce you to our newest staff member.

Neda is a full time student at Carey Baptist College. She is currently in her second year working toward getting a Bachelor in Applied Theology. At PACT she is involved with the Friendship Programme that is run at Kedgley Int, the Supakidz Programme in Papatoetoe Central Primary School and also the after school Powerhouse Programme. She has just recently accepted the position as our Accounts Administrator working on the monthly accounts and grant applications.

Even though Neda supports Manchester Utd (PACT is a Liverpool Supporters organisation!!!), we are stoked to have Neda working with us!!

While we have welcomed Neda we have farewelled Steph. Steph had worked voluntarily as our Office Manager for the past 2 years and did a superb job keeping things ticking along in the office. We will miss her...and her afghans!!!!

Schools we are working in :

Papatoetoe High

Papatoetoe Int

Kedgley Int

Papatoetoe North

Papatoetoe East

Puhinui Primary

Papatoetoe Central

The local Schools continue to support the work that PACT does with their students. This year Neeley has been contracted out for 3 days a week at Pap High running small group and mentoring programs. She does a great job there and plays an integral part in the Student Support Centre with the other School staff.

Brent and Neda have also began a 5 week "Friendship" program at Kedgley Intermediate presented to all Year 7 classes. This is a new course that is very interactive and had been received very well by the staff and students.

Glenn has continued to do a great job in working at Papatoetoe East and Puhinui, and heading up the very popular Holiday Programs, and Chris is keeping busy with her work at Papatoetoe High and Papatoetoe Intermediate – work that is much appreciated by the schools.
