## New Staff

Introducing  
**MARK HOWE**  
our new  
Intermediate Worker.

## Can you help?

It is becoming increasingly difficult to get funding – particularly for wages and admin costs. If you'd like to help support us in this area please contact Brent on 279 8340 or download an AP form from the website.

## June 2010 Newsletter

Hey there!!

Thanks for reading this – We hope it updates you a little on what's been happening so far for us in 2010!

This year has seen a New LEGACY Girls After School Program begin, we have been contracted for more hours in local schools, we have run a new Government Funded Breakaway High School Holiday Program, we've had our first Soccer Academy Tournament and we've had a heap of work been done to the building!!! Phew!

If you ever want to find out more about what's happening please feel free to contact us, or check the website.

## Glenn's going on Sabbatical

*Term 3 will see PACT with one notable absentee. Glenn is going on sabbatical. Glenn is currently in his 13<sup>th</sup> year as a PACT Community Youthworker and is taking a well deserved term off work. He will be using that time to re-evaluate his role and look for improvements he can make.*

*The Tabor's will also be taking a family holiday to the Gold Coast – nice! Glenn won't be around for the Term 3 Holiday Program and Neda Kam will be heading this up.*

## New Brochure

**HOT OFF THE PRESS!!**

*Enclosed with this Newsletter is our new brochure . Inside it you'll find all that we're doing, the different services we offer and the opportunities available to you and your family or others that may be interested.*

## BUILDING UPGRADE

*The upgrade to the west end of our building, facing the Recreation Fields has began!! It's been on the agenda for at least 5 years and with much persistence, Council funds being released and a great project Manager down at Manukau City Council the end is in sight!*

*When work is completed we will have new toilets, showers, a meeting room on the same level as the main hall, and an upstairs Mezzanine Floor that is being put aside for storage!! (Up to now we have used lofts and a very inconvenient area under the old stage).*

*We're excited about this happening and the enhancements it will make to our building!*

**Please continue to pray for the work and the workers of PACT.**
