HAPPY NEW-ish YEAR!!

Thanks for reading this – We hope it updates you a little on the comings, goings and work here at PACT.

(Staff, Trustees and Families at our end of year Christmas Breakfast!)

The year is well under way for us here at PACT – programs have started, groups at schools are being organised, and Staff are busy preparing for another year!

We've had Ernani join the team, and we've said farewell to Andrew Malele who has taken up a position as YouthWorker at De La Salle School.

January saw Glenn run a summer holiday program for the first time. Things ticked over like clock work, the leaders were awesome and the kids all had a great time!

January also saw Ben get married – big congrats to him and Neroli. They're an awesome couple!!! To the left is a photo from the happy day!

BEN'S GOING FULLTIME

Such has been the awesome job that Ben has been doing on a parttime basis for PACT, such has been all the great reports we get about what he does and such is the need in our community that PACT's Board of Trustees decided to increase Ben's hours to Fulltime status.

That's great news – but it also means we need to find funding to pay him.

You may know that PACTS fulltime workers are required to raise financial support for their salary. If you would like to help contribute to Ben and the great work that he is doing then you can download an AP form from the "Support us" tab on our website or contact Brent for more details on 0274 388 646 or 279 8340.
