The Recession!

Did our finances notice it?

From Individual Supporters : A little bit

From Funding Agencies : Yes

The Result : Our general account is down from where we would like, or need it to be.

Any help here would definitely be welcomed!

November 2009 Newsletter

Hey there!!

Thanks for reading this – We hope it updates you a little on the comings, goings and work here at PACT. There's always a lot going on!

During Term 3 we were able to link with [South Auckland Christian Food Bank](#) in running a weekly Community Dinner. We've seen up to 90 people turn up for this, and it's been a great way to help some people, and to give a good meal and a fun night out for the family.

A big thanks to Ian and all the volunteers for making it happen!

action!!

This term has seen the return of the Soccer Academy. Last year was the first time we had run this and it was a huge success, despite Robert, our Head Coach, breaking his ankle!

All going well there'll be no such shinnanigans this time round.

We're planning on finishing it off this time with an end of Academy camp and mini tournament against other teams!

This is nice...from a School Counselor before the holidays

*Hi Brent - Just a quick note to say a big thank you for your awesome PACT team's work at our school this year. Yahoo the holidays. Have a fabulous break and I'll see you next term.
Cheers*

HOLIDAY PROGRAMS

The Holiday Programs run by Glenn for 8-12 year olds and Ben for High School Boys continue to be an integral part of what we offer.

Glenn's program books out each term, with 50+ kids coming in. These past holidays they enjoyed the games and crafts at the PACT building and also had trips to Ice Skating, Rock Climbing and Parakai Hot Pools.

Ben's program was again centred around Boxing and Fitness work. These holidays we also arranged for the guys to go away for an overnighter, where they kayaked to their destination, sat around a camp fire, and tented for the night. Awesome!

Please continue to pray for the work and the workers of PACT.
